

Onceanfront on Miles of White Sand Beach

\$149,500 USD

Bargain prices for a quick sale on this very nice property with a roomy 488sf studio home, a 288sf covered patio, with full solar and good sized 450sf garage. The quality of construction is evident with the authentic clay tile roof, custom built cabinetry, tile floors throughout the house. The full size bathroom has a wonderful walk-in shower. The kitchen is also complete, well planned, and spacious. The fully furnished solar house is situated on an oversized 791m2 lot with 27.21 meters of beach frontage by 30 meters deep. The house itself was actually designed to be the guest or in-law quarters and there's a full set of plans for the main house included in the sale. This is a solar area with a piped in water system. Fishing, diving, off-roading, and partying are what make this area a well rounded location to live out your gold-
